DELIVERY OF THE PROGRAMMES

Our parish is blessed with volunteers who very generously help with the delivery of the programmes. However, to enable us to provide the best catechetical experience for your child, we rely on the additional help and support from you (parents/guardians/grandparents). We will offer you training and support before and throughout the programmes.

Safety of the children in our care is paramount to us. Therefore, every adult helping with the programmes will require a Westminster Diocesan DBS check to be carried out by the parish safeguarding representative.

If you are able to volunteer and wish to help with the programmes, please let us know your availability by stating your preferred choice(s) from the days and times given for classes of children. Ideally, you should not be in the same class as your child. We are very grateful for your support.
