FIFTH SUNDAY OF EASTER

15th May 2022

Saints in the Making - Venerable Mary Potter

Venerable Mary Potter, born in London in 1847, grew up in a single parent family after her father William Potter left in 1848.

Mary lived in London and later in Portsmouth with her mother, Mary Anne and her four brothers.

As Mary grew older, and after nearly getting married, she began to realise that she was called to pray for and to be with the suffering and the dying of the world, as Mary, the Mother of God was with Jesus on Calvary.

Mary understood suffering because of her own ill health from birth and her faith deepened because of it.

This inspiration became very strong and Mary knew she was called to the religious life, praying and caring for the sick and dying.

Mary was advised to travel to Nottingham to meet Bishop Bagshawe, the Bishop of Nottingham. He helped Mary, in founding her first convent in Hyson Green, from which emerged the Little Company of Mary in 1877.

This first small community not only prayed for the sick and dying but cared for them in their homes and in the streets of Hyson Green and Nottingham.

The Congregation rapidly spread from England to Rome, and through many countries around the world.

Mary died in Rome on 9th April 1913 and is now buried in St Barnabas Cathedral, Nottingham.

Mary was declared Venerable by Pope Saint John Paul II on 8th February 1988.

Her cause for Canonisation is ongoing.

The paradox of abundance. Over 800 million people go hungry each day. Yet the world produces over 4 billion tonnes of food and we only need 3.7 billion tonnes to feed everyone. From all this food produced, a third is wasted. St John Paul II called this 'the paradox of abundance.' Clearly the currently global food system is not working. But as Pope Francis said, "Each of us has a role to play in transforming food systems for the benefit of people and the planet." Let's respond to his call! CAFOD's new campaign is called Fix the Food System. See www.cafod.org.uk/food for more information, including an invitation for parish groups to learn about the impact of our

food with our Fix the Food System: a 7-station journey resource.
