SEVENTH SUNDAY OF EASTER

29th May 2022

Saints in the Making - Servant of God - DOROTHY DAY

Dorothy Day was born on November 8, 1897, in the Brooklyn Heights, New York. She was born into a family that is described as solid, patriotic and middle class. Her father John and her mother Grace were married in an Episcopal Church in Greenwich Village, NY. She had three brothers and a sister and was the third oldest child.

As a young lady, Dorothy showed great interest in serving God. She took delight in reading her Bible every now and then. She started attending Our Saviour Episcopal Church in the Lincoln Park in their neighbourhood in Chicago at ten. She studied the Catechism very well and was baptised and Confirmed in 1911. She loved reading right from her teens. In the University she enjoyed reading Russian literature like Doestoevsky and Tolstoy. She read a lot of socially conscious work, which gave her a background for her future. This

helped bolster her support for and involvement in social activism. She worked very hard as a student to buy her clothes and shoes from discount stores.

She started developing an interest in the Catholic Church when she visited her mother in Florida in 1925. Gradually she started reading Catholic literature and attending Holy Mass. Her daughter Tamar Teresa was born on March 4, 1926. She encountered a Catholic Sister Aloysia who helped her in her journey of Faith. She underwent conditional Baptism in the Catholic Church in December 1928 with Sister Aloysia as her Godparent. She was a strong member of the Catholic Movement. She died on November 29, 1980.

Dorothy is now a Servant of God, in the process of her Canonisation.

Catholic Listeners. Catholic Listeners, Diocese of Westminster, has been set up for those who are returning to the faith. The helpline is all about listening to others. This service is based on the Landings ethos of compassionate listening. Although we are not a counselling service, we have a professional team trained on signposting to other services and agencies. Simply talking about a problem can ease a burden. We aim to help those in need of a safe space to talk confidentially. For more details contact Ade catholiclisteners@gmail.com or 0800 448 0704.

The paradox of abundance. Over 800 million people go hungry each day. Yet the world produces over 4 billion tonnes of food and we only need 3.7 billion tonnes to feed everyone. From all this food produced, a third is wasted. St John Paul II called this 'the paradox of abundance.' Clearly the currently global food system is not working. But as Pope Francis said, "Each of us has a role to play in transforming food systems for the benefit of people and the planet." Let's respond to his call! CAFOD's new campaign is called Fix the Food System. Please see www.cafod.org.uk food for more information.

Eucharistic Octave. The Diocesan Shrine of the Blessed Sacrament, Corpus Christi, Maiden Lane, Covent Garden will be hosting a Eucharistic Octave from 11th-19th June. This has been organised by several London parishes to celebrate our Eucharistic Lord in the lead up to the Solemnity of Corpus Christi. For further details see www.catholiclondon.org
